## SHARE SIZES & PRICES

➤ **Premium Share Size**

**\$950 + \$15 member fee** - Early Bird Discount if paid prior to 3/1

**\$990 + \$15 member fee**, for members joining after 3/1

Will contain on average 10-12 items and more of some items in the Basic Share.

Additionally, each week Premium Members receive smaller harvest vegetables that no other members receive. Premium Members pick/choose your own produce from large produce bins at pick-up.

➤ **Basic Share Size**

**\$795 + \$15 member fee** - Early Bird Discount if paid prior to 3/1

**\$825 + \$15 member fee**, for members joining after 3/1

Will contain on average 9-10 items, approximately 75% of the Premium Share.

Basic Members pick/choose their own produce from large produce bins at pick-up.

➤ **Medium Share Size**

**\$640 + \$15 member fee** - Early Bird Discount if paid prior to 3/1

**\$660 + \$15 member fee**, for members joining after 3/1

Will contain on average 9-10 items, but less of each item than the Basic Share. This size is approximately 50% of the Premium Share, and it will come pre-bagged as a grab & go option so you won't pick/choose your own produce pieces.

**\*\* HALF SHARE OPTION:** All 3 sizes are available as **Half Shares**, which you pick up every-other week, alternating with a share partner. This will be 12 total weeks of produce. To take advantage of the Early Bird Discount, both partners must sign up prior to 3/1/23.

**READ, INITIAL & SIGN BELOW FOR CONSENT:**

\_\_\_\_\_ If you do not pick up your share on the scheduled date and within the time and have not made prior arrangements, your share will be donated.

\_\_\_\_\_ I commit to membership in the Ocean Grove CSA for the 2023 season, which is planned to run for 24 weeks, starting Friday, June 4, and ending Friday, November 12. As a member of the CSA, I will receive a weekly share of produce. The shares will vary by size and weight depending on the season.

\_\_\_\_\_ One aspect of CSA is that members support their farmer by sharing in the inherent risks of agriculture (poor weather, drought, disease, early frost, crop failure and so on) and rewards (the bounty from a good season.) CSA farmers purposely plan for such contingencies and use growing techniques that protect the harvest, minimize risk to members and optimize the rewards: growing a wide variety of crops that thrive in different types of conditions, cover cropping, crop rotation, and irrigation. Moreover, the CSA builds relationships of trust between the farmer and the community group. Overall, members should get a wide variety of vegetables in generous amounts. Therefore, I agree that, while John Krueger will act in good faith to provide fresh organic produce for the duration of the season, there is no guarantee of quantities or contents of weekly shares.

\_\_\_\_\_ I am fully aware that it is necessary to inspect and wash all produce thoroughly before consuming. John, his workers, his farm, all CSA members and volunteer administrators, including Elizabeth Avent, Stephanie Hughes, and their administrators and employees have no liability in terms of the safety of the food or the premises.

\_\_\_\_\_ I am also fully aware that when driving, parking and picking up my CSA share at 133 Abbott Avenue, Ocean Grove, New Jersey 07756, I do so willingly and in full observation of all parking and traffic rules. I absolve Elizabeth Avent and the homeowners of liability for any and all accidents or injury incurred while picking up my CSA share.
